AND TO ISSUE SHARES  
AND  
AMENDMENTS TO THE ARTICLES OF ASSOCIATION  
AND  
NOTICE OF ANNUAL GENERAL MEETING**

**INTRODUCTION**

The purpose of this circular is to provide you with information in respect of the resolutions to be proposed at the AGM for the approval of (i) amendments to the articles of association of the Company; (ii) granting to the Directors general mandate to repurchase Shares, the aggregate nominal amount of which does not exceed 10% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of such a resolution; (iii) granting to the Directors general mandate to allot, issue and otherwise deal with Shares not exceeding 20% of the aggregate nominal amount of

the issued share capital of the Company at the date of passing such a resolution; and (iv) granting to the Directors general mandate to extend the Issue Mandate to the nominal amount (up to a maximum of 10% of the aggregate nominal amount of the Company's then issued share capital) of any Shares repurchased by the Company.

These general mandates will remain in effect until whichever is the earliest of the date of the next annual general meeting, the date by which the next annual general meeting is required to be held by law and the date upon which such an authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company. The Directors wish to state that they have no present intention to repurchase any Shares or issue any new Shares in the event that these general mandates are approved.

An explanatory statement as required under the Share Repurchase Rules, given certain information regarding the Repurchase Mandate, is set out in this circular.

### AMENDMENTS TO THE ARTICLES OF ASSOCIATION

The Directors wish to propose a special resolution at the AGM to amend the existing articles of association of the Company. The purposes of the amendments are to keep the articles of association of the Company in compliance with the amended provisions of Appendix 3 to and other provisions of the Listing Rules which will take effect on 31 March 2004. In principle, the articles of association of the Company must conform with the following:

- (i) the minimum seven-day period for lodgment by shareholders of the notice to nominate a director shall commence no earlier than the day after the despatch of the notice of the meeting appointed for such election and end no later than seven days before the date of such meeting;
- (ii) directors shall abstain from voting at the board meeting on any matter in which any of his associates has a material interest and are not to be counted towards the quorum of the relevant board meeting; and
- (iii) where any shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restriction shall not be counted.

Apart from the above proposed amendments, all existing provisions in the articles of association of the Company shall remain the same. Full text of the proposed amendments to the articles of association is set out in Resolution 5D of the notice of AGM on pages 10 to 13 of this circular.

### RECOMMENDATION

The Directors consider that the Repurchase Mandate, the Issue Mandate, the extension of the Issue Mandate and the amendments to the articles of association of the Company are in the best interests of the Company and its Shareholders. Hence they recommend you to vote in favour of the resolutions at the forthcoming AGM.

Yours faithfully,  
For and on behalf of the Board of

# **EXPLANATORY STATEMENT OF THE SHARE REPURCHASE MANDATE**

---

The following explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules to be given to all Shareholders relating to the resolution to be proposed at the forthcoming AGM authorising the Repurchase Mandate.

## **1. EXERCISE OF THE REPURCHASE MANDATE**

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 382,800,000 Shares. Subject to the passing of the ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such a resolution, the Directors would be authorised to repurchase up to 38,280,000 Shares (being 10% of the Shares in issue) during the period up to the next annual general meeting in 2005 or the expiration of the period within which the next annual general meeting of the Company is required by law to be held or the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

## **2. REASONS FOR REPURCHASE**

The Directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchases when appropriate and beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the net assets and/or earnings per Share of the Company.

## **3. GENERAL**

As compared with the financial position of the Company as disclosed in its most recent published audited consolidated accounts as at 31 December 2003, the Directors consider that there might be a material adverse impact on the working capital or gearing position of the Company in the event that the proposed share repurchases were to be carried out in full during the proposed purchase period. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

## **4. FUNDING OF REPURCHASES**

Repurchasing shares must be made of the funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

---

## **EXPLANATORY STATEMENT OF THE SHARE REPURCHASE MANDATE**

---

### **5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), has any present intention, in the event that the repurchase proposal is approved by the Shareholders, to sell Shares to the Company or its subsidiaries.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases of its Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules and all applicable laws of the Cayman Islands, and in accordance with the regulations set out in the memorandum and articles of association of the Company.

### **6. EFFECT OF TAKEOVER CODE**

If on exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purpose of Rule 32 of the Takeover Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeover Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Fu Teng Global Limited (whose sole shareholder is Mr. Yang Zongwang, the Chairman and an executive director of the Company) which held approximately 229,400,000 shares representing approximately 59.93% in the total issued number of Shares in the Company was the substantial shareholder holding more than 10% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholding of Fu Teng Global Limited in the Company would be increased to approximately 66.59% of the issued share capital of the Company. It is considered that such an increase in shareholding of Fu Teng Global Limited in the Company will not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Company will not repurchase Shares if that repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the Company's issued share capital.

### **7. SHARE PURCHASE MADE BY THE COMPANY**

The Company has not repurchased any of its Shares during the six months period preceding the Latest Practicable Date.
